For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSTRIPTION.

Among the numerous discoveries Science has made in this generation to facilitate the business of life-increase its anjoyment, and even prolong the term of human existence, none can be numbered of more real value to mankind, than this contribution of Chewistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary diseases which have hitherto swept from our midst thousands and thousands every year. Indeed, there is GLASS WARE.—Just received and for sale at auction now abundant reason to believe a Remedy has at length been found which can be relied on to cover the most depression affects found which cas be relied on, to cure the most dangerous affecions of the lungs. Our space here will not permit us to publish any proportion of the cures affected by its use, but we would present the following:-and referfurther inquiry to my American Almanae, which the agent below named, will always be pleased to furnish free, wherein are full particulars and indisputable proof of these statements.

Rock Hill. (Somerset Co.,) N. J., July 21, 1852. Dn. J. C. AYER,—Since your medicine has become known here, it has a greater demand than any other cough remedy we have eversuld. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it, is not too much for the good it has done. I take pleasure in selling it, because I know that I am diving my matterness the worth of their money, and I feelgrate. iving my customers the worth of their money, and I feel grat-P. S. Almost any number of certificates can be sent you.

Windsor, C W., June, 26, 1852, J. C. AYER, Sir.—This may certify that I have used your CHERRY PECTORAL for upwards of one year; and it is my sincere belief that I should have been in my grave ere this time it I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convict one when I tell you it
